Mother's Day invites us to reflect on God's partnership with humanity in creating and sustaining life. The Blessed Mother's "fiat" brought salvation into the world, and God continues to honor every woman's free will as she participates in his sacred gift of creation.

Today we honor all mothers, and we especially remember women in crisis. Please consider a donation to **A Caring Pregnancy Resource Center**, where every dollar stays local and provides free, compassionate support to women and families facing unplanned pregnancies. Also, prayerfully consider becoming a volunteer! Tax deductible **donations may be mailed to:** 305 W. 2nd St., Wray, CO 80758

A short commentary on the Gospel:

Fr. Mike Schmitz's commentary on today's gospel tells us exactly where our hope comes from. He promises the Spirit of Truth, and he promises he will not leave us orphans. This is not a vague feeling. This is a Person dwelling in us, holding us, transforming us from the inside out. That is the reason for the hope: not an argument, but a living relationship. So, that's the big question worth sitting with this week: is there anything about your life that would make someone ask, "What is the reason for your hope?"

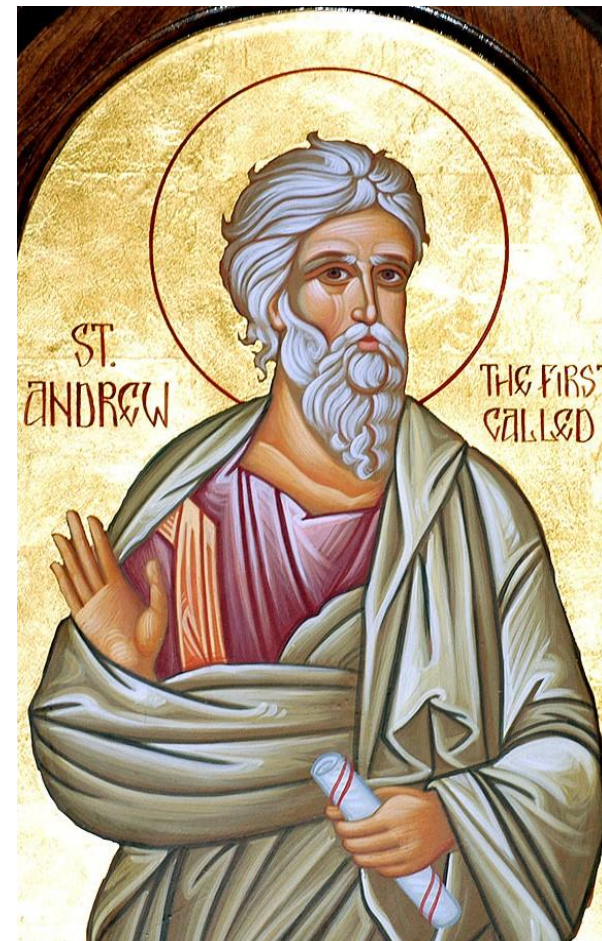

God loves what He creates!
Happy Mother's DAY!
